EPISODE FOUR

SUPOSE CAM Opening Credits:

REPRISE THEN:

1. INT. SPACE STATION. CORRIDOR WITH AIRLOCK. DARK.

(MERCER AND TURLOUGH RUN INTO VIEW.

MERCER IS WILD WITH REVENGE.

WITHOUT PAUSING HE SHOOTS THE TWO TROOPERS WORKING ON THE AIRLOCK MECHANISM.

HE THEN RUNS ON INTO THE SPACE SHIP.

TURLOUGH PAUSES
MOMENTARILY TO
PICK UP A TROOPER
LASER RIFLE)

2. INT. SPACE SHIP. RECEPTION AREA.

(STANDING IN FRONT
OF THE TIME CORRIDOR
IS A FIGURE.

AS MERCER ENTERS
THE FIGURE TURNS
AND WE SEE THAT IT
IS TEGAN.

MERCER LEVELS HIS
RIFLE, BUT TURLOUGH
ARRIVES AND SHOULDER
CHARGES HIM)

TURLOUGH: What are you doing?

MERCER: She was about to
scream.

TURLOUGH: It's Tegan, you fool.
She's a friend!

TEGAN: (TO TURLOUGH) What's going
on? Who is this?

(MERCER MOVES
TOWARDS THE TIME
CORRIDOR ENTRANCE)

MERCER: Explain later. We must
get away before the Daleks
arrive.

TEGAN: Not without the Doctor.

TURLOUGH: He's here?

TEGAN: Look behind you.

(MERCER AND TURLOUGH TURN AND SEE, HALF HIDDEN, IN A DEEP ALCOVE, THE DOCTOR'S TARDIS)

We must find him.

(MERCER AND TURLOUGH EXCHANGE AN AWKWARD GLANCE)

3. INT. SPACE STATION. LABORATORY. DARK.

(THE CHEMIST IS STILL WORKING AT THE GAS-TIGHT CONTAINER.

THE TROOPERS ASSIST.

DAVROS IS BEFORE THE SCANNER SCREEN.

ON IT WE SEE TEGAN, TURLOUGH AND MERCER LEAVING THE RECEPTION AREA.

DAVROS OPERATES A CONTROL STICK AND THE SECURITY CAMERA PANS ROUND AND WE SEE THE TARDIS.

KISTON AND THIRD DALEK ARE WITH DAVROS)

DAVROS: Perfect. The Doctor's Tardis.

(TO DALEK)

You must secure it for me. Take the troopers.

THIRD DALEK: We obey.

(THIRD AND FOURTH
DALEK EXIT FOLLOWED
BY THE TROOPERS)

4. INT. SPACE SHIP. DUPLICATION ROOM.

(THE DOCTOR STILL
WRITHES IN AGONY.

THE IMAGES FROM
HIS MIND STILL
FLICKER ON THE
MONITOR.

NOW IMAGES FROM THE
PATRICK TROUGHTON PERIOD
OF DOCTOR WHO.

THE DOCTOR LETS
OUT A SUDDEN
SCREAM.

AGAIN THIS SEEMS
TO SNAP STIEN BACK
INTO REALITY.

HE SWITCHES OFF THE
MACHINE AND THE
MONITOR GOES
BLANK)

STIEN: I can't go on. The confusion in my mind is too strong.

THE DOCTOR: Quickly! Release me.

(THE TROOPERS CROSSES
FROM HIS GUARD POST
BY THE DOOR , AS STIEN
STARTS TO RELEASE
A STRAP SECURING
THE DOCTOR'S WRIST)

STIEN: (cont) Stay back.

(HE HAS PRODUCED
A SMALL LASER
GUN FROM HIS
SLEEVE)

Drop your rifles.

(THE TROOPERS OBEY)

5. INT. SPACE SHIP. BRIDGE. RED.

(SUPREME DALEK AND
FIRST DALEK STAND
BEFORE THE CONSOLE.

LYTTON ENTERS)

LYTTON: I've just received a casualty report. I need reinforcements.

SUPREME DALEK: More troopers will be duplicated.

LYTTON: Duplicates are unreliable.

FIRST DALEK: The Duplication process has been perfected.

LYTTON: Really? I have ten men being re-processed at this very moment. They've started to remember who they were. Your process is clumsy!

SUPREME DALEK: The process is not clumsy. The duplicate's new body is genetically perfect. It is free of disease. The aging process has been retarded.

LYTTON: It's not the body that's at fault. It's the mind you're putting into them. You haven't cleaned them up enough. Old memories start to break through.

SUPREME DALEK: That is a minor problem. It will be eradicated.

LYTTON: If you're not careful, you could have a mutiny.

FIRST DALEK: They would be exterminated.

LYTTON: Really? And destroy the only effective fighting force you've got.

6. INT. SPACE SHIP. CORRIDOR.

(TEGAN, TURLOUGH AND MERCER MAKE THEIR WAY CAUTIOUSLY ALONG THE CORRIDOR.

THEY COME TO A JUNCTION)

TURLOUGH: Now where?

(TEGAN SHRUGS)

MERCER: This is foolish. It's only a matter of time before we're discovered.

TEGAN: We can't just abandon the Doctor.

(A DALEK ENTERS THE CORRIDOR)

MERCER: Too late.

TURLOUGH: Quickly.

(THE TRIO RUN INTO THE CONNECTING CORRIDOR)

Along here. There's an anti-chamber.

(MERCER, TEGAN
AND TURLOUGH MOVE
ALONG THE CORRIDOR
TO THE ANTI-CHAMBER
AND ENTER JUST
AS THE DALEK
TURNS INTO THE
PASSAGEWAY)

7. INT. SPACE SHIP. DUPLICATION ROOM.

(THE DOCTOR IS STILL
A LITTLE GROGGY.

HE HAS BEEN
RELEASED FROM
DUPLICATION MACHINE.

THE TROOPERS STAND
NEAR-BY WAITING
THEIR CHANCE TO
MAKE A MOVE.

STIEN HAS HALF
AN EYE ON THEM
AS HE TALKS TO
THE DOCTOR)

STIEN: Now what?

THE DOCTOR: Escape.

STIEN: The Dalek conditioning could cloud my mind at any moment.

THE DOCTOR: You would be safe in the Tardis.

STIEN: You don't understand: Under the Dalek influence I could kill you.

THE DOCTOR: (SMILES) I'll take the chance ... well?

(STIEN THINKS
FOR A MOMENT,
THEN NODS.

INDICATES TROOPERS)

STIEN: What do we do with them?

8. INT. SPACE SHIP. ANTI-ROOM. DARK.

(TEGAN IS EXAMINING
THE "ORIGINAL"
ARCHER'S BODY)

TEGAN: Soldiers from the warehouse ... explains how the Colonel finished up with two gun belts.

TURLOUGH: Duplicated?

(TEGAN NODS.

THERE IS A LOUD
BANG FROM BEHIND
THE DOOR LEADING
TO THE DUPLICATION
CHAMBER.

MERCER LEVELS
HIS RIFLE TO THE
FIRING POSITION.

TURLOUGH OPERATES
THE DOOR OPENING
MECHANISM.

THE DOOR SLIDES
OPEN.

BEYOND WE SEE THE
DOCTOR AND STIEN.

TYING UP THE GUARDS
WITH WIRE FORMALLY
USED ON THE
DUPLICATION MACHINE)

TEGAN: It's the Doctor!

THE DOCTOR: Don't just stand there, help us.

(TEGAN PUSHES PAST
MERCER AND ENTERS
THE LABORATORY)

9. INT. SPACE SHIP. BRIDGE. RED.

FIRST DALEK

EXAMINES CONSOLE
BEFORE HIM)

FIRST DALEK: The processing of The Doctor has stopped.

(LYTTON PRESSES
THE SECURITY CAMERA
CONTROLS.

THE IMAGE COMES
UP ON THE SCREEN
OF THE DUPLICATING ROOM.

POV SECURITY CAMERA:
HIGH, WIDE SHOT
OF LABORATORY.

WE SEE TEGAN,
TURLOUGH AND MERCER
WITH THE DOCTOR,
STIEN AND THE
TROOPERS.

THE DOCTOR AND
STIEN COMPLETE THE
TRUSSING UP OF
THE GUARDS)

SUPREME DALEK: The Doctor is free. Your troopers have failed.

LYTTON: More to the point: Where are your Daleks?
(cont ...)

(LYTTON OPERATES
THE RADIO)

LYTTON: (cont) (INTO RADIO)
This is Lytton. I want a Squad of Troopers to meet me outside of the Duplication room at once.

(LYTTON SNATCHES
UP HIS HELMET
AND EXITS)

10. INT. SPACE SHIP. DUPLICATION ROOM.

(TURLOUGH HAS CLOCKED THE LIGHT ON THE SECURITY CAMERA)

TURLOUGH: Look.

(HE POINTS)

We should get away from here.

(THE DOCTOR PICKS UP ONE OF THE TROOPERS LASER RIFLES.

HE TURNS HIS GUN ON THE TAPE MACHINE AND FIRES.

THE TAPE AND MONITOR EXPLODES.

STIEN PICKS UP THE SECOND LASER RIFLE)

THE DOCTOR: Let's go.

(THEY TURN AND FIND THEIR WAY BLOCKED BY THE SECOND DALEK)

SECOND DALEK: You will remain here.

(THE DOCTOR OPENS
FIRE.

MERCER ALSO FIRES.
THE DALEK'S GUN
AND EYE STALK
EXPLODE)

THE DOCTOR: Come on.

(THE GROUP
PUSH BY THE
SMOKING DALEK
AND EXIT)

11. INT. SPACE STATION. LABORATORY. DARK.

(DAVROS IS BY
THE GAS TIGHT
CYLINDER.

KISTON AND THE
CHEMIST CONTINUE
TO TRANSFER
THE MOVELLAN
VIRUS INTO SMALLER
CONTAINERS.

DAVROS HOLDS UP
ONE OF THE SMALL
CONTAINERS)

DAVROS: Perfect. With the aid of this I shall reclaim my rightful place as leader of the Daleks.

12. INT. TARDIS CONSOLE ROOM.

(THE QUARTET ENTER AND THE DOCTOR QUICKLY SETS THE COORDINATES)

TEGAN: Where are we going?

THE DOCTOR: Earth.

(THE DOCTOR PICKS UP THE LASER RIFLE)

TURLOUGH: Best news all day.

THE DOCTOR: (TO STIEN) Why have the Daleks rescued Davros?

STIEN: They want a cure for a virus that's destroying them.

THE DOCTOR: And knowing him, he'll succeed.

TEGAN: What's in those cylinders on Earth?

STIEN: The Movellan virus.

TEGAN: (CONCERNED) Are they going to use it on Earth?

STIEN: It's there for safe storage.

(THE DOCTOR
CROSSES TO
THE DOOR)

TEGAN: Where are you going?

THE DOCTOR: To kill Davros.

TEGAN: (HORRIFIED) Doctor!

THE DOCTOR: I must. Davros created the Daleks. If they're dying, so be it.

TEGAN: But murder?

THE DOCTOR: Once before I held back from destroying the Daleks. It was a mistake I do not intend to repeat. Davros must die!

MERCER: I'm coming with you.

THE DOCTOR: No.

MERCER: I can show you where he is.

STIEN: I want to come, too. I wouldn't mind a taste of revenge.

THE DOCTOR: (TO TEGAN) Wait as long as you can. But should the Daleks attack, leave at once.

TEGAN: And what about you?

(THE DOCTOR DOESN'T REPLY, BUT TURNS AND EXITS, FOLLOWED BY MERCER AND STIEN)

13. INT. SPACE SHIP. DUPLICATION ROOM.

(LYTTON, FIRST TROOPER AND TWO TROOPERS ENTER AND EYE THE DAMAGE.

LYTTON IS ANGRY. HIS PRIDE AS A PROFESSIONAL SOLDIER HAS BEEN HURT.

HE INDICATES THE BOUND TROOPERS)

LYTTON: (TO HIS OWN GUARDS) Release them.

(THEY OBEY)

(QUIETLY) We must find the Doctor ... and kill him.

FIRST TROOPER: We've been ordered to take him alive.

LYTTON: (QUIETLY) We shall kill him ... kill them all.

(HE TURNS AND LEAVES THE ROOM)

14. INT. SPACE STATION. LABORATORY. DARK.

(DAVROS IS BEFORE
THE SCREEN.

ON IT WE SEE
THE DOCTOR BEING
ESCORTED BY
STIEN AND MERCER,
AS THOUGH THEY ARE
PRISONER AND ESCORT.

MERCER CARRIES
THE DOCTOR'S
LASER)

DAVROS: Could this be the Doctor?

KISTON: The prisoner is certainly important. The fat one is Stien, a member of Lytton's special guard. He wouldn't be assigned to escort duty otherwise.

DAVROS: (TURNS TO KISTON) The Doctor and his Tardis. Perfect.

15.INT. SPACE SHIP. RECEPTION AREA.

(LYTTON AND HIS TROOP ENTER THE AREA)

LYTTON: Last two men, fall out.

(TWO TROOPERS OBEY)

(INDICATING THE TARDIS) You're to guard that. Anyone comes near it, kill them.

(LYTTON AND THE REMAINDER OF THE TROOPERS EXIT)

16. INT. TARDIS. CONSOLE ROOM.

(TURLOUGH TURNS AWAY FROM THE SCREEN)

TURLOUGH: That's it. Let's go.

TEGAN: We stay.

TURLOUGH: The Doctor said to go if the Tardis were threatened.

TEGAN: Only if it were attacked. (FORCEFULLY) We're staying!

TURLOUGH: We'll all be killed ... You're as mad as the Doctor.

17. INT. SPACE SHIP. RECEPTION AREA.

(THE DOOR TO
THE RECEPTION AREA
QUICKLY OPENS AND
DAVROS' DALEKS
ENTER.

THE TROOPERS SNAP
TO AN ATTENTION.

AS THEY DO,
THE DALEKS OPEN FIRE
AND THE TROOPERS
ARE KILLED.

THE THIRD DALEK
CROSSES TO THE
TARDIS AND PLACES ITS
SUCKER DEVICE ON
THE LOCK OF THE DOOR)

THIRD DALEK: The door is secured.

(DAVROS'S CONDITIONED
TROOPERS ENTER
THE AREA)

FOURTH DALEK: Davros' orders must be obeyed. We must find a way of entering.

18. INT. SPACE SHIP. BRIDGE. RED.

(SUPREME DALEK
HAS SEEN THE
EVENTS WHICH
HAVE JUST TAKEN
PLACE IN THE
RECEPTION AREA)

FIRST DALEK: The Daleks do not respond to my instructions.

SUPREME DALEK: They must be stopped. This is the work of Davros. He must be exterminated!

19. INT. SPACE STATION. CORRIDOR. DARK.

(LYTTON AND HIS TROOPERS ON THE MOVE.

THE RADIO IN LYTTON'S HELMET BUZZES.

LYTTON RAISES HIS HAND AND THEY HALT)

LYTTON: (INTO RADIO) Lytton.

SUPREME DALEK: (VOICE OVER RADIO) Davros has gained control of two Daleks. They are in the reception area attempting to enter the Doctor's Tardis. You must exterminate them.

LYTTON: At once.

SUPREME DALEK: You must also destroy Davros.

LYTTON: What about his work on the virus?

SUPREME DALEK: He is unreliable. He cannot be trusted. He must be destroyed.

(LYTTON SWITCHES OFF HIS RADIO)

LYTTON: (TO FIRST TROOPER) Take two men and kill Davros. I'm going to the reception area. Should the Doctor try to get back to his ship ... I want to be there to greet him.

(THEY MOVE OFF)

20. INT. SPACE STATION. LABORATORY. DARK.

(THE DOOR SLIDES OPEN AND THE DOCTOR, MERCER AND STIEN ENTER)

DAVROS: Welcome, Doctor.

DAVROS: I have waited many years for this meeting.

THE DOCTOR: I'm sorry to have detained you.

DAVROS: It was but a pleasure deferred. Now you are here, you will repay ten-fold for the mental agony I suffered.

(KISTON AND THE CHEMIST CONTINUE TO WORK ON THE CYLINDER.

STIEN AND MERCER STAND ON GUARD BY THE DOOR.

THE DOCTOR IS NEAR MERCER)

THE DOCTOR: There's one thing I'll say for you. Your conversation is totally predictable. (cont ...)

THE DOCTOR: (cont) You're like a deranged child. Always talk of revenge, killing, destruction.

DAVROS: It is the only path to ultimate power.

THE DOCTOR: But to what end? Just more suffering for those unfortunate enough to survive.

DAVROS: Only for those who resist my will.

(THE DOCTOR TURNS TO MERCER WHO HANDS HIM A LASER RIFLE)

THE DOCTOR: And for those who work as your slaves.

DAVROS: What are you doing?

THE DOCTOR: Until I walked through that door, I foolishly hoped you had changed enough for me not to have to do this.

DAVROS: (TO STIEN) Kill him!

THE DOCTOR: I'm not here as your prisoner, Davros ... But your executioner.

(DAVROS REMAINS VERY CALM)

DAVROS: Kill me and you will release the full power of the Daleks.

THE DOCTOR: It's not what I hear. The Daleks are dying.

DAVROS: And the others throughout the Universe? They could succeed. Find the cure they search for.

THE DOCTOR: After I've dealt with you, I shall find and destroy them.

DAVROS: I think not ... But with my help ...

THE DOCTOR: Help?

DAVROS: You, in your way, are not an unambitious man. Like me, you are a renegade.

THE DOCTOR: Save your breath.

DAVROS: I had planned to completely redesign the Daleks. Kiston will confirm I am telling the truth ...

KISTON: It is so.

DAVROS: My mistake was making them totally ruthless. It restricted their ability to cope with creatures who not only rely on logic, but instinct and intuition. That is a factor I wish to correct.

THE DOCTOR: And compassion? Are they to be programmed for that.

DAVROS: They will learn to recognise the strength that can be drawn from such an emotion.

THE DOCTOR: But only to make the Daleks more efficient killers?

DAVROS: To make them a more positive force.

THE DOCTOR: For destruction.

DAVROS: The Universe is at war, Doctor. Name one planet whose history is not littered with atrocities and ambition for empire. It is a universal way of life.

THE DOCTOR: Which I do not accept.

DAVROS: I am offering you a foot in reality. Join me and you will have total power at the head of a new Dalek army.

(ON THE SCREEN WE SEE TWO TROOPERS.

ENTER THE CORRIDOR OUTSIDE)

STIEN: (INDICATES THE SCREEN) Doctor.

(HE GLANCES AT THE SCREEN)

THE DOCTOR: (URGENTLY)
Outside. Deal with them.

(STIEN AND MERCER
EXIT)

21. INT. TARDIS CONSOLE ROOM.

(IN THE BACKGROUND THE SOUND OF DALEK LASERS CAN BE HEARD)

TEGAN: Don't look so worried. Others have tried to break in before.

TURLOUGH: I would feel more at ease if the Tardis had an armoury.

(AN ELECTRONIC NOISE STARTS TO HOWL FROM THE CONSOLE)

TEGAN: What's that?

(TURLOUGH EXAMINES THE CONSOLE.

AS HE DOES THE TIME ROTOR STARTS TO OSCILLATE)

We're moving. It can't be the Daleks.

TURLOUGH: The Doctor preset the controls on the timer. (REALISING) He didn't intend to return!

(SUDDENLY THE FLOOR IS AT FORTY-FIVE DEGREES, WITH TURLOUGH AND TEGAN CLINGING TO THE CONSOLE)

TEGAN: What's happening?

TURLOUGH: We've entered the Daleks Time Corridor. We're going back to the warehouse!

(TURLOUGH GRAPPLES WITH THE CONTROLS. THE TARDIS ENGINES ROAR)

TEGAN: What are you doing?

TURLOUGH: Over-ride! We might just be able to pull free!

22. INT. SPACE SHIP. BRIDGE. RED.

(AS BEFORE)

FIRST DALEK: The Time Corridor is being used. Davros's Daleks have followed the Doctor's Tardis to Earth.

SUPREME DALEK: Let them go. They will serve my purpose in due course.

23. INT. SPACE STATION. LABORATORY. DARK.

(ON THE SCREEN WE SEE STIEN TALKING TO THE TROOPERS.

THE DOCTOR STANDS BEFORE DAVROS, HIS GUN POINTING AT HIS HEAD.

KISTON AND THE CHEMIST LOOK ON)

DAVROS: You hesitate, Doctor. If I were you, I would be dead.

THE DOCTOR: I lack your practive, Davros.

DAVROS: You are soft, like all Time Lords. You prefer to stand and watch. Action requires courage, something you lack.

24. INT. SPACE STATION. CORRIDOR OUTSIDE LABORATORY. DARK.

(STIEN STANDS BEFORE THE TWO GUARDS, SERGEANT-MAJOR STYLE)

STIEN: Don't argue. You are to report to Commander Lytton at once.

(THE TROOPERS EXCHANGE A GLANCE)

MERCER: Perhaps I can convince you.

(MERCER LEVELS HIS RIFLE AND SHOOTS THEM)

STIEN: (QUIETLY) Did you have to?

(MERCER GLANCES AT STIEN CONTEMPTUOUSLY)

MERCER: Help me hide the bodies. (cont ...)

(THEY MOVE OFF, BUT STIEN STUMBLES. THIS WE SEE FROM FIRST OFFICER'S P.O.V.

PULL BACK AND WE SEE THAT HE IS WATCHING THEM FROM FURTHER ALONG THE CORRIDOR)

MERCER: (cont) Now what?

STIEN: The Dalek conditioning ... It's starting to take hold again.

MERCER: You should have stayed in the Tardis.

FIRST TROOPER: (O.O.V.) Drop your guns.

(WE SEE THE THREE TROOPERS, GUNS LEVELLED, STANDING AT THE END OF THE CORRIDOR.

STIEN TURNS)

STIEN: (CONFUSED) It's all right. They're our troopers.

(MERCER SPINS ROUND)

MERCER: They're Dalek troopers!

(HE FIRES, KILLING ONE OF THE TROOPERS.

THE REMAINING TROOPERS FIRE BACK AND MERCER FALLS DEAD.

STIEN IS HORRIFIED AND STARTS TO FIRE WILDLY.

HE KILLS ANOTHER TROOPER.

FIRST TROOPER RETURNS FIRE AND STIEN FALLS WOUNDED. FIRST TROOPER RUNS FORWARD)

25. INT. SPACE STATION. LABORATORY. DARK.

(THE DOCTOR RUSHES TO THE DOOR, OPERATES THE MECHANISM AND THE DOOR SLIDES OPEN.

FRAMED IN THE OPENING WE SEE FIRST TROOPER STANDING OVER THE BODY OF STIEN.

FIRST TROOPER TURNS TO FIRE, BUT THE DOCTOR IS QUICKER AND FIRST TROOPER FALLS DEAD)

26. INT. SPACE STATION. CORRIDOR. DARK.

(THE DOCTOR ENTERS AND LOOKS AT MERCER BRIEFLY, THEN MOVES TOWARDS STIEN.

STIEN SNATCHES UP HIS LASER RIFLE WITH HIS GOOD HAND AND POINTS IT AT THE DOCTOR)

STIEN: Stay where you are.

(THE DOCTOR HALTS)

THE DOCTOR: You need medical attention.

STIEN: I can't control my mind. I'm not safe.

(STIEN CLIMBS TO HIS FEET)

I caused Mercer's death. I've got to get away from here.

(STIEN SLOWLY MOVES UP THE CORRIDOR, DEEPER INTO THE SPACE STATION)

THE DOCTOR: Wait! I can help you. Go back to the Tardis.

STIEN: No ... And don't follow me. ... I may be forced to kill you.

(SUDDENLY THE DOOR TO THE LABORATORY SLIDES TO.

THE DOCTOR RUSHES TO IT, BUT IS TOO LATE)

THE DOCTOR: (FURIOUS) I'm an imbecile!

(IN HIS FRUSTRATION, THE DOCTOR KICKS THE DOOR, THEN LOOKS IN THE DIRECTION STIEN HAS TAKEN.

HE PAUSES FOR A MOMENT, THEN HEADS BACK TOWARDS THE RECEPTION AREA)

27. INT. SPACE STATION. LABORATORY. DARK.

(DAVROS SMILING, WATCHES THE DOCTOR LEAVE THE CORRIDOR ON THE SCREEN)

KISTON: Shall I go after him?

DAVROS: No, our work here is more important.

KISTON: The Daleks will investigate the gunfire.

DAVROS: Then it is all the more important we are prepared for them ... The Daleks must be destroyed!

28. INT. WAREHOUSE. ALIEN ARTIFACT LEVEL. OPEN AREA. DARK.

(THE TARDIS
MATERIALISES)

29. INT. TARDIS CONSOLE ROOM.

(TURLOUGH AND TEGAN ARE RECOVERING FROM THEIR ROUGH RIDE.

TEGAN OPERATES THE SCANNER.

ON IT WE SEE THE ALIEN ARTIFACT LEVEL OF THE WAREHOUSE)

TURLOUGH: Didn't work ... sorry.

TEGAN: We may be in the same warehouse, but not the level of the Time Corridor.

TURLOUGH: What do we do now?

TEGAN: (SHAKING HEAD) We must think ... we have to find a way to help The Doctor.

30. INT. SPACE SHIP. RECEPTION AREA. DARK.

(LYTTON EXAMINING THE CONTROLS OF THE TIME CORRIDOR.

HIS TROOPERS LOOK ON.

LYTTON'S RADIO BUZZES.

HE OPERATES THE SWITCH)

LYTTON: Lytton.

SUPREME DALEK: (OVER RADIO) Your troopers have failed. Davros still lives.

LYTTON: Then shoot the Space Station down. Kill everything on it!

SUPREME DALEK: I must see him dead. I have dispatched Daleks to complete the task you failed.

LYTTON: I sent my best men.

SUPREME DALEK: They were not good enough. You must redeem yourself. You must destroy Davros' Daleks.

LYTTON: Follow them to earth?

SUPREME DALEK: You must exterminate them.

(SCOWLING, LYTTON SWITCHES OFF HIS RADIO)

31. INT. SPACE SHIP. BRIDGE RED.

(AS BEFORE)

FIRST DALEK: Why are you sending Lytton to Earth?

SUPREME DALEK: I have no more use for him. Davros' Daleks will kill him.

FIRST DALEK: We should retrieve the remaining cylinders of Movellan virus. Should Lytton survive he could use it against us.

SUPREME DALEK: Do so.

FIRST DALEK: I obey.

32. INT. SPACE STATION. CORRIDOR. DEEP INSIDE. DARK.

(STIEN IS LEANING AGAINST THE WALL, HOLDING HIS ARM.

HE IS IN SEVERE PAIN)

STIEN: This isn't any good ... Have got to be more positive.

(HE HAS A SUDDEN THOUGHT)

Move positive! ... Self-Destruct ... I must find the Self-Destruct Chamber.

(SLOWLY HE MOVES OFF)

33. INT. WAREHOUSE. ALIEN ARTIFACT LEVEL. OPEN AREA. DARK.

(SLOWLY THE DOOR OF THE TARDIS OPENS AND TEGAN PEERS OUT.

SHE THEN EMERGES INTO THE WAREHOUSE, A GRUMBLING TURLOUGH BEHIND HER)

TURLOUGH: This is lunacy!

TEGAN: Quiet! The soldiers will hear you.

(THEY HEAD TOWARDS TARPAULINED AREA)

TURLOUGH: (LOUD WHISPER) Why do this? We can't get to the Dalek ship.

TEGAN: The Doctor may get back. Some other opportunity may arise. I don't know!

TURLOUGH: Absolute madness!

TEGAN: The virus in those cylinders is the only effective thing we can fight the Daleks with.

34. INT. WAREHOUSE. TIME CORRIDOR LEVEL. DARK.

(FROM ARCHER'S P.O.V. WE SEE DAVROS' CONDITIONED DALEKS AND TROOPERS SEARCHING THE WAREHOUSE)

CALDER: (WHISPERS) They're Davros' men.

ARCHER: The order is to exterminate them.

CALDER: We haven't any explosives. We won't be able to destroy the Daleks.

ARCHER: We must obey. We have no choice.

35. INT. SPACE SHIP. RECEPTION AREA.

(ON THE BELTS OF THE TROOPERS WE SEE SEVERAL FLAT PACKS.

AS WE LEARN LATER, THESE ARE GRENADE-TYPE BOMBS CAPABLE OF DESTROYING THE DALEKS.

AS WE JOIN THE SCENE, LYTTON IS CLAMPING THE LAST OF HIS GRENADES TO HIS BELT.

ON THE FLOOR IN FRONT OF HIM IS THE GRENADE BOX.

LYTTON JOINS HIS TROOPERS WHO ARE GATHERED AROUND THE ENTRANCE TO THE TIME CORRIDOR)

LYTTON: Let's go.

(THEY ENTER THE TIME CORRIDOR)

36. INT. SPACE STATION. LABORATORY. DARK.

(KISTON AND THE CHEMIST HAVE PACKED THE SMALL CONTAINERS OF MOVELLAN VIRUS INTO A SATCHEL)

DAVROS: Go. Release the virus in the Dalek ship.

37. INT. WAREHOUSE. TIME CORRIDOR LEVEL. DARK.

(DAVROS' GROUP SEARCH AMONGST THE DEBRIS)

THIRD DALEK: The Tardis is not on this level. We must search elsewhere.

ARCHER: (O.O.V.) Now!

(THE SOLDIERS POP UP FROM THEIR HIDING PLACES AND OPEN FIRE.

THE TROOPERS RUN FOR COVER AS THE DALEKS RETURN FIRE)

38. INT. WAREHOUSE. ALIEN ARTIFACT LEVEL. TARPAULIN AREA.

(GUN FIRE CAN BE HEARD IN THE BACK-GROUND.

TEGAN AND TURLOUGH ARE STRUGGLING TO FREE A CYLINDER FROM THE IMPACTED EARTH)

TURLOUGH: Let's go.

TEGAN: We need one more.

(TURLOUGH INDICATES THE CYLINDER ON THE BED)

TURLOUGH: Let's take that.

TEGAN: (FIRMLY) As well as that one.

39. INT. WAREHOUSE. TIME CORRIDOR LEVEL. DARK.

(WE SEE THAT A SOLDIER HAS BEEN KILLED.

SO HAS A TROOPER.

THE TROOPERS FIRE THEIR LASER RIFLES INTO THE DARK.

THEY ARE SUPPORTED BY FIRE FROM THE DALEKS.

SUDDENLY THE FIRING STOPS.

ALL IS SILENT FOR A MOMENT)

THIRD DALEK: The soldiers have been killed.

FOURTH DALEK: The Troopers must confirm that they are dead. We must locate the Tardis.

(THE DALEKS TURN AS THE TROOPERS START TO SEARCH FOR ARCHER AND CALDER.

AS THEY DO WE SEE FORMING IN THE GAP BETWEEN THE TWO TEA-CHESTS, LYTTON'S GROUP)

40. INT. WAREHOUSE. ALIEN ARTIFACT LEVEL. TARPAULIN AREA.

(AS BEFORE, TEGAN AND TURLOUGH ARE STRUGGLING WITH A CYLINDER)

TURLOUGH: We'll never shift this.

(THE AIR IS FILLED WITH THE SAME NOISE LAIRD HEARD WHEN THE LAST CYLINDER DISAPPEARED)

TEGAN: What's happening?

TURLOUGH: Let's go.

(THEY BOTH MOVE AWAY FROM THE CYLINDERS, THE NOISE GROWING LOUDER AS THEY DO.

THE DOCTOR: You won't be able to invade Earth.

SUPREME DALEK: You forget, Doctor: I have my duplicates. Daleks do not need to invade. Some have already been placed in Stratigic political and military position around the planet. The collapse of Earth society will soon occur. The Movellan virus will not be used.

TEGAN: No!

SUPREME DALEK: A small force of Daleks will only be necessary to take over.

Day.

In LONG SHOT, we see LYTTON walking confidently down the street.

The POLICEMEN salute LYTTON and then fall in behind him.

They walk on, confident in the thought they have escaped.

68. INT. WAREHOUSE. TIME CORRIDOR. LEVEL. DARK.

(THE DEBRIS OF THE BATTLE IS ALL AROUND THEM)

TEGAN: Are you sure all the Duplicates are unstable?

THE DOCTOR: No.

TEGAN: Then you should inform Earth's authorities. They'll listen to you.

TURLOUGH: This is 1984. You know what they're like when there's talk of alien invasion.

TEGAN: One look inside this warehouse will convince them.

(THE DOCTOR HAS HAD A SUDDEN THOUGHT)

THE DOCTOR: Wait a minute ... Lytton! (LOOKS AROUND) Where is he?

TURLOUGH: Does it matter?

THE DOCTOR: He's still alive. I saw him. (SUDDENLY VERY CHEERFUL) He'll know who the Duplicates are.

TEGAN: How do you know?

THE DOCTOR: He's the sort of man who would make it his business. All we have to do is find him. (SMILES) Earth is safe.

TEGAN: (QUIETLY) Is it?

THE DOCTOR: Aren't you pleased?

TEGAN: Of course.

(SHE LOOKS AROUND AT THE DEBRIS OF BATTLE)

I think I'm growing tired of all this ...

THE DOCTOR: What's the matter?

TEGAN: A lot of good people have died today ... and, to be honest, I'm growing sick of it.

THE DOCTOR: Do you think I wanted it this way?

TEGAN: No. It's just that I don't think I can go on.

THE DOCTOR: You want to stay on Earth?

TEGAN: When I became an air stewardess, aun Vanessa said: if you stop enjoying it, give it up ... I think she was right ... (cont ...)

TEGAN: (cont) ... It's stopped being fun, Doctor.

(SHE EXTENDS HER HAND)

Good-bye.

Turlough.

TEGAN: I'll miss you both.

THE DOCTOR: Don't leave. Not like this.

TEGAN: I must. I can't go on ... Good bye.

(SHE TURNS AND DISAPPEARS INTO THE GLOOM, THE DOCTOR GAZING AFTER HER)

TURLOUGH: Are you angry.

THE DOCTOR: (SHAKES HIS HEAD) It's rather strange. I left Gallifrey for similar reasons. I'd grown tired of their life style (SIGHS) It seems I must mend my ways. Or regenerate ... But before I do either, we must find Lytton. Come on.

(THEY ENTER THE
TARDIS.

IN THE GLOOM
WE SEE TEGAN
WATCHING.

SHE IS CRYING.

THE TARDIS DEMATERIALISES)

TEGAN: (QUIETLY) Good bye.
